

REMARKS

Claims 1-9 and 11-20 are pending in this application. Claims 1-9, 11, 12, and 13 are allowed. Claims 15, 16, 18, and 20 are rejected. Claims 17 and 19 are objected to. Claims 15, 18, and 19 are amended. Applicants respectfully request that this amendment be entered because it places all claims in allowable condition

I. Rejections to the Claims under 35 U.S.C. § 112

Claim 16 was rejected under 35 U.S.C. § 112, first paragraph as allegedly failing to meet the written description requirement. Claim 16 has been cancelled with its limitations added to claim 15. Further, claim 15 has been amended to require "a controller disposed on the housing," which allows the limitations from claim previous claim 16 to satisfy the written description requirement.

Claims 18 and 19 were rejected under 35 U.S.C. § 112, second paragraph for allegedly failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 18 and 19 are amended to satisfy the requirements of section 112. Applicants respectfully request that the rejections under section 112 be withdrawn.

II. Rejections to the Claims under 35 U.S.C. § 102(b)

Claims 15-16, 18, and 20 were rejected under 35 U.S.C. §102(b) as being anticipated by U.S. Patent No. 4,776,060 to Chang ("Chang"). Claim 15 is amended to include all of the limitations of allowed claim 17 (and intervening claim 16). Accordingly, Applicants respectfully request that claims 15-20 be allowed.

Claims 1-9, 11-12, and 14-20 are patentable. Applicants respectfully request the Examiner grant early allowance of this application. The Examiner is invited to contact the undersigned attorney for the Applicants at (312) 222-8124 if such communication would expedite this application.

Respectfully submitted,

Stephen C. Smith
